

FIND A HOSTING COMPANY

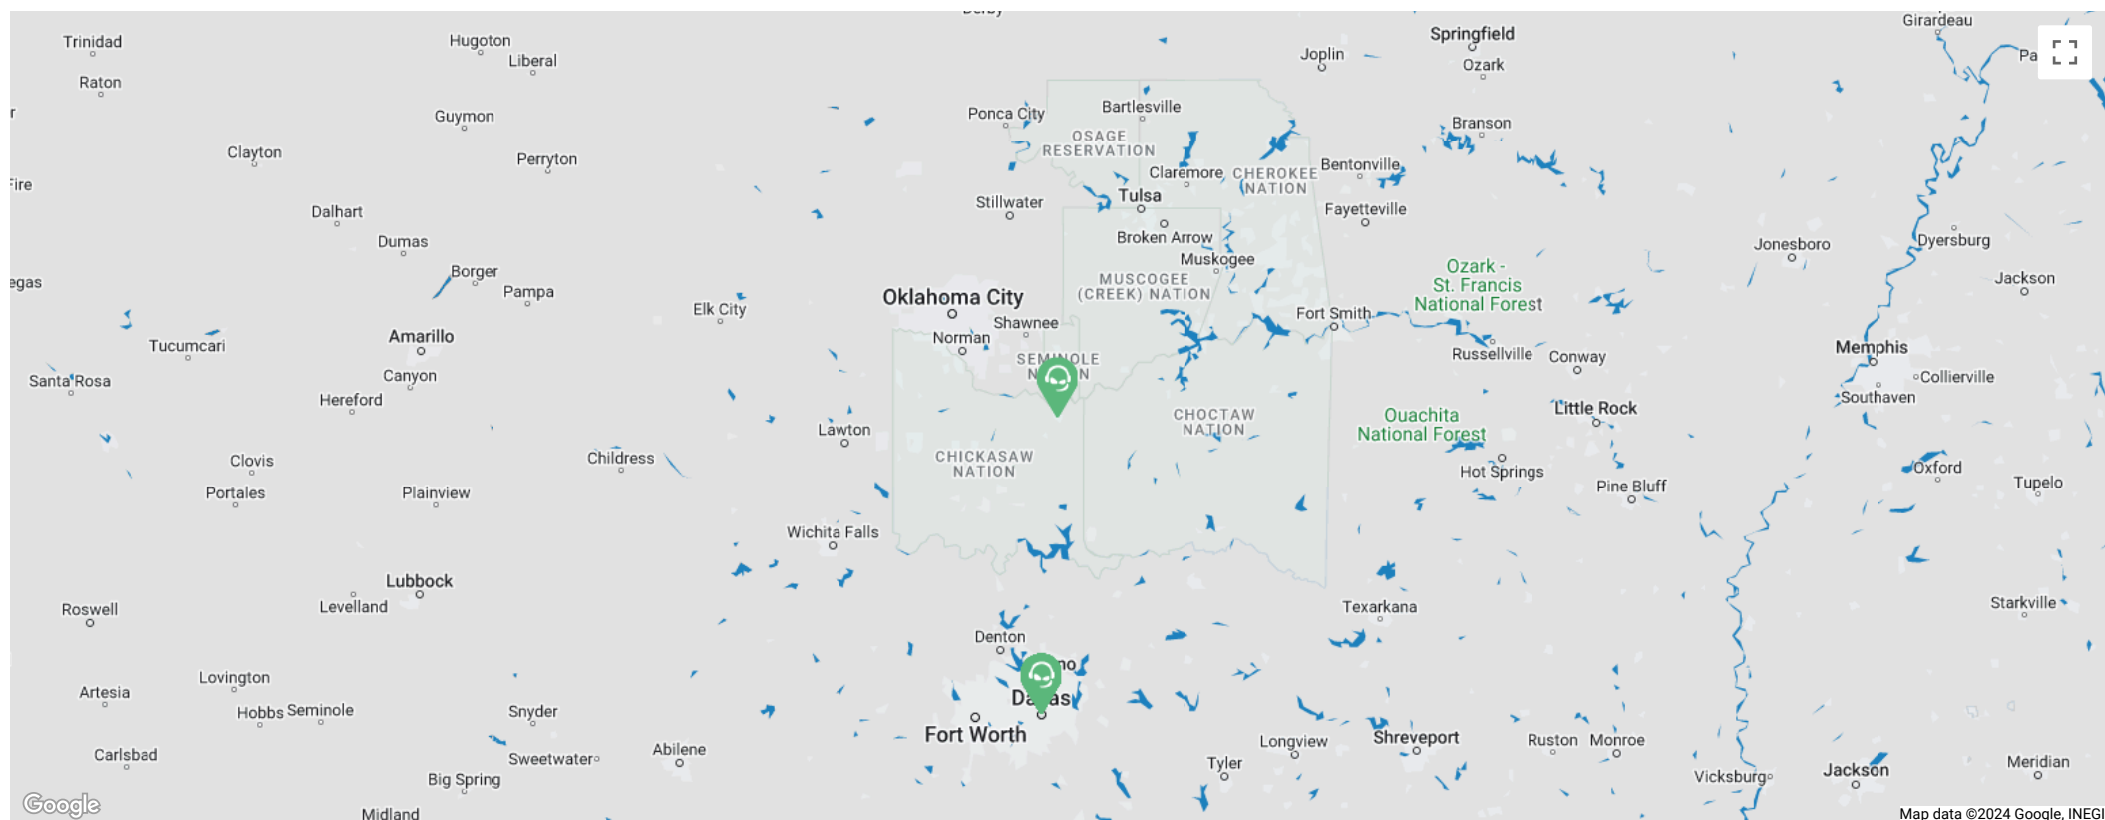

This section is to help you find a hosting company for your own TeamSpeak server.

For the best performance, you should look for a server that is closest to your community/team/clan/guild.

Alternatively, if you are looking to host your own server, please visit [here](#) to download our server software for FREE.

Got your own server?

If you have your own server hardware, it is simple to set up a TeamSpeak server for your team. Click the button above to visit our server download page.
